Negative Ion Steam Hair Straightener

EH1673-A3

EH1613-T3

EH1673

EH1613

SPECIFICATIONS

EH1673

Power Source	AC220-240V / 50-60Hz
Rated current	0.2A
Tank Quantity	approximately 6 ml
Steam discharge rate	approximately 0.35 ml/min
Iron pipe temperature	approximately 145°C
Cord length	1.7 m
Weight	approximately 375 g (B2 plug) approximately 435 g (S3 plug)

EH1613

Power Source	AC110V / 50-60Hz
Rated current	31W
Tank Quantity	approximately 6 ml
Steam discharge rate	approximately 0.35 ml/min
Iron pipe temperature	approximately 145°C
Cord length	1.7 m
Weight	approximately 320 g (A2 plug)

⚠ WARNING

This service information is designed for experienced repair technicians only and is not designed for use by the general public. It does not contain warnings or cautions to advise non-technical individuals of potential dangers in attempting to service a product. Products powered by electricity should be serviced or repaired only by experienced professional technicians. Any attempt to service or repair the product or products dealt with in this service information by anyone else could result in serious injury or death.
